

# ARENAS®-soft

## Fabric softener with long-lasting fresh fragrance

### Features

ARENAS®-soft makes your fresh laundry soft and fluffy, ironing and mangling easier and keeps the laundry fresh for longer. Thanks to the KIEHL long-time fresh formula, ARENAS®-soft provides the laundry with a pleasant, long-lasting fresh smell, is very kind to the skin and has an anti-static effect. ARENAS®-soft is the perfect addition to the other ARENAS® washing products.

### Ingredients (according to 648/2004/EC)

Cationic surfactants 5-15%, static inhibitors, dyes, fragrances (lilial, hexyl cinnamal, benzyl salicylate, citronellol, linalool).

pH value (concentrate): approx. 3      pH value (ready-to-use solution): approx. 6

### Application

For softening all washed laundry with the exception of microfibre and functional underwear.

### Directions

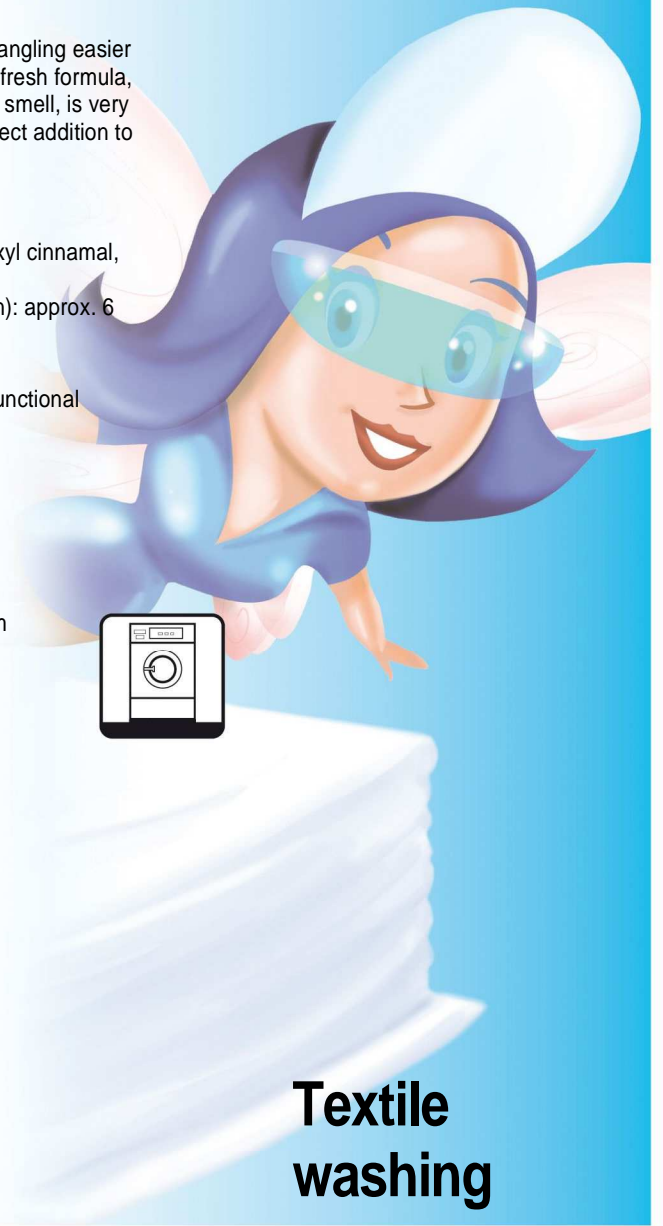

Add ARENAS®-soft to the final rinse cycle of the washing process.

#### Automatic dilution:

Connect the ARENAS®-soft container to the pump connection for the fabric softener. The product will be automatically diluted by the program control of the washing machine.

#### Manual dilution:

1/2-1 dosing cap (20-40 ml) to 5-10 kg of dry laundry.

**Textile  
washing**

### Coverage per kg washing textiles

The chemical consumption depends on the size of the washing machine.

**No consumer product according to 1999/44/EC Art. 1! For professional use only!**
